MD. ABU SAYEED

Chittagong, Bangladesh | +8801813551732 | ms2150125@gmail.com | github.com/ms2150125-ui

ACADEMIC PROFILE

Science-background student pursuing undergraduate studies in Computer Science & Engineering or Information Technology. Strong academic foundation with SSC GPA 5.00/5.00 and HSC GPA 4.75/5.00. Skilled in C/C++ programming, web development fundamentals, and IT support, with additional certifications in cybersecurity, cryptography, AI fluency, and CSS. Runner-Up at IIUC Poster Presentation & Idea Gen'26, demonstrating problem-solving and technical communication.

ACADEMIC HIGHLIGHTS

- Higher Secondary Certificate (HSC), Science — Uttor Kattoli Alhaj Mostafa Hakim Degree College, Bangladesh | 2024 | GPA: 4.75/5.00
- Secondary School Certificate (SSC), Science — Bangladesh Railway Government High School, Bangladesh | 2022 | GPA: 5.00/5.00

CERTIFICATIONS & TRAINING

- **Certificate of Skills Training — IT Support Service** | UCEP Ambagan TVET Institute | 01 Apr 2025 – 30 Jun 2025

- Introduction to Cybersecurity | Cisco Networking Academy | Issued: 24 Sep 2026 — Foundational network security, threat landscape, data confidentiality, privacy practices, and defensive strategies.
- Introduction to Cryptography for Beginners | Online Skill Certification | Issued: 28 Aug 2026 — Basic cryptographic algorithms, symmetric and asymmetric encryption, hash functions, and data security protocols.
- AI Fluency: Framework and Foundations | Claude Academy | Issued: 20 Oct 2026 — Course completion badge.
- CSS (Basic) | HackerRank — Passed the HackerRank skill certification test. Issued: 1Nov 2026
- Runner-Up — Inter-Semester Poster Presentation & Idea Gen'26 | CCE Club, International Islamic University Chittagong (IIUC) | 2026

TECHNICAL SKILLS

- Programming: C, C++, Python
- Computer Science: Data Structures and Algorithms, Object-Oriented Programming, Problem Solving
- Web Development: HTML5, CSS3, Bootstrap, JavaScript
- IT Support: PC assembling, operating-system installation and optimization, basic networking, software installation/configuration, backup and recovery, PC maintenance and troubleshooting
- Tools & Platforms: Git, GitHub, Visual Studio Code

SELECTED PROJECTS

Blood Bank Website | HTML, CSS, Bootstrap

- Built a responsive frontend interface for a web-based blood bank project, focusing on clear navigation and structured presentation of blood donation and blood request information.
- Contributed to frontend page layout and responsive design for different screen sizes.

Repository: Blood-Bank-Site

Personal Portfolio Website | HTML, CSS, Bootstrap

- Developed a responsive personal portfolio website to present academic background, technical skills, and selected projects.
- Focused on clean page structure, responsive presentation, and accessible navigation.

Repository: My_Protfolio_Web_Site

C++ DSA Practice | C++

- Maintains a public repository for practicing C++ programming, data structures, algorithms, and problem-solving techniques.
- Uses structured programming practice to strengthen core Computer Science fundamentals.

Repository: CPP-DSA

C Language Practice | C

- Maintains a public repository of C programming exercises to strengthen fundamental programming concepts and syntax.

Repository: C_Language

LEADERSHIP & COMMUNITY SERVICE

Executive Member — Mostafa Hakim Blood Bank

- Participated in organizational activities connected with blood donation and community service.
- Worked with team members in a volunteer environment, developing communication, collaboration, planning, and organizational skills.

PROFESSIONAL DEVELOPMENT

- Python Programming — freeCodeCamp | Currently Learning
- Continued independent learning in C/C++, Data Structures and Algorithms, JavaScript, and Web Development.

LANGUAGES

- Bengali — Native
- English — Working Proficiency
